B Tech (Hons) in Software Technology Jun 2024 – Present
University of Vocational Technology

G.C.E. Advanced Level 2022/23
Christ King College, Jaela
ICT – C | Science for Technology – C | Engineering Technology – C | General English – A | **Z-score:** 0.9708

PROJECTS

Petal — To-Do & Notes Application *Individual*
PostgreSQL | Express | React | Node.js | JWT

- Built a task and notes app with authentication, subtasks, priorities, projects, and linked notes.
- Implemented JWT authentication, bcrypt password hashing, and per-user data access.

Live demo: nirunii.github.io/petal-todo-app | Code: github.com/nirunii/petal-todo-app

Aria — E-Commerce Web Application *Individual*
PostgreSQL | Express | React | Node.js | JWT

- Developed an e-commerce app with product search, filtering, a persistent cart, and an admin dashboard.
- Built transaction-based orders with row locking and server-side price and stock checks.

Live demo: nirunii.github.io/aria-store | Code: github.com/nirunii/aria-store

Portfolio Website *Individual*
React | Vite | CSS | GitHub Pages

- Built a responsive portfolio with React and Vite, with light and dark modes, deployed via GitHub Actions.

Live demo: nirunii.github.io | Code: github.com/nirunii/nirunii.github.io

EXPERIENCE

Quality Assurance (QA) Tester
University Website Development Project | University of Vocational Technology

- Tested website features and user interfaces to identify bugs.
- Collaborated with developers to track defects and verify fixes.
- Supported the improvement of website functionality and user experience.

TECHNICAL SKILLS

Programming & Web Dev	JavaScript, HTML5, CSS3, React, Next.js, Node.js, Express.js, REST APIs
Databases	PostgreSQL, PL/SQL, Oracle APEX, MySQL
Testing & Tools	Postman, Selenium, JMeter, Git, GitHub, Vite

SOFT SKILLS

Problem-Solving • Attention to Detail • Team Collaboration • Effective Communication • Time Management • Adaptability & Willingness to Learn • Analytical Thinking

LANGUAGES

Sinhala – Native | **English** – Fluent | **Tamil** – Intermediate
